AMENDMENT

Assistant Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

In response to the Office Action mailed September 15, 1997,
please amend the above-referenced application as follows:

IN THE CLAIMS

- ✓ Claim 1, line 4, after "in" insert --at--;
line 7, replace "base" with --body--.
- ✓ Claim 6, line 4, after "computer" insert --system--.
- ✓ Claim 17, last line, replace ";" with ---.
- ✓ Claim 22, line 3, replace "controller" with --body--.

a' 24. (Amended) The method of claim 23, wherein the scaled representation is such that the maximum force applicable to the physical device is mapped into the maximum force [that] which the device [can produce] is capable of producing.

42 ✓ Please cancel claims 25-33 without prejudice to the filing of a divisional application.
